New Lockdown period

Dear friends we are not going to have any public worship (Holy Mass) for a period from Thursday, 5 November to 2 December 2020. It is not easy thing for us all, but we must abide by the government rules and practice social distancing to safeguard & protect each other during these difficult times. I would recommend a more appropriate way to consider frequently going for private prayers in our church. It is something legitimate and we are allowed to do so with a sense responsibility to sustain our spiritual wellbeing.

I would also appreciate if you could kindly continue to support through your donations to our parish. I understand it is difficult time for everyone. You have made sacrifices and supported our small parish through all this time. It is through your generous offerings and kindness that has made it possible to continue to sustain and maintain our parish. I am grateful for your thoughtfulness during this pandemic period. You may choose either on a weekly, monthly, or even yearly basis. So what you need to do is setting up a standing order that will ensure us your continued support for the worship and upkeep of our church even when you are away or can't come to church.

Please Pay: RCAS Our Lady of Immaculate Conception Surrey Docks

May God abundantly bless you and all your loved ones. Thanks for your kind support and I appreciate it very much.
